

Terms and Conditions of Course Enrolment

I have checked the PADI Medical Statement with 'No' on all the questions (a 'yes' requires a doctor's 'fit to dive' medical).

Knowledge Development

I agree to complete all the relevant knowledge reviews for the course prior to the start date and will supply the Knowledge Reviews to the Instructor on the day.

Amphibian Refund Policy

I accept the refund policy as detailed below:

- 2 or more weeks prior to start of course: cancellation fee £50/ person or £10.00 Administration fee to re-organise.
- 7-14 days prior to start date: a £60.00 / person re-organisation fee is charged.
- Less than 7 days prior to start of course: a £100.00 / person re-organisation fee is charged.
- No Refunds on cancellations with less than 2 weeks notice
- No Refunds on incomplete course
- No Refunds for 'No Shows'.

Unforeseen Circumstances

In circumstances beyond your control. e.g., illness or family bereavement the above charges are still applicable, however we will of course try to be accommodating.

Open Water Dives

I am also aware that should the course require open water dives with Amphibian I will have to pay dive site entry fees, refill my tank if necessary and if applicable pay for my own overnight accommodation, food, and transportation.
